

Follow the steps below to download the concussion app and add your athlete to their assigned team.

Each athlete will need to complete **two separate baseline tests** in the app, which assess **balance, concentration, and cognitive function**. These are **in addition to** the in-person baseline testing.

1. Download the app

< Search

Concussion Tracker

Medical Concussion
Management Inc.

Open

2. Create your Account

3. Select Family Account (this will allow you to add multiple athletes).

Follow the prompts to add your name, phone number, and create a login

Select Your Account Type(s).

I am creating a new account as a:

Team Leader

Coaches, Trainers, Teachers, Medical Team, Sports Org/School, anyone who is responsible for a group for athletes and/or students

Family Account

A family account for registering 1 or more family members using the same email address

Individual

Patient, Athlete and/or Student who is 13 years of age or older and responsible for their own account

1:29

Add Family Member.

Please select one of the following options:

ADD AN EXISTING ACCOUNT →

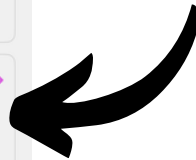

Select this option to add an individual who already has a CCMI account.

ADD A NEW FAMILY MEMBER →

Select this option to create an account for a family member who does not have an existing account.

Cancel

4. Once you have created your account, you can add your athlete.

5. Add “Physician”. Here is the information you will need for this section:

Kyrie Severson or Tiffany Eslinger
Phone: (701) 809-7650
Address: 567 32nd Ave E Suite 201
West Fargo, ND 58078

Primary Physician Contact.
